

2017 – 2018 Back to School Supplies

7th Grade

- You DO NOT need a large zipper/Velcro binder in 7th grade.
- Your teachers prefer that you have a smaller binder or folder for each class.
- Color-coding your binders, folders and notebooks really helps with organization. We suggest the following colors:
Language – Red **Math** – Blue **Social Studies** – Yellow **Science** - Green
